About Me

Having worked as a midwife for 20 years and in private maternity care for the last 10, as well as being a mum of three myself, I bring a wealth of experience in navigating those first few special weeks with your new baby.

My Services

- 1-2-1 Private antenatal classes in your home
- Postnatal care including weight checks, feeding support (breast/formula)
- Newborn bloodspot test
- Suture removal & perineal checks
- General baby care support
