EXPLORATION

THEME: MIRROR MISSIONS

Questions/Ideas:

Objects Placed on a Mirror: What shall we put on our mirror? Where's the reflection? Can we make a pattern? What sounds do the different objects make?

Objects in a Mirror: Let's look at some of your toys in the mirror. Do they look the same? Which toys look different in the mirror? How many wheels/legs/heads can you see?

Mirror Code: Let's look at some pictures/numbers/letters/words in the mirror? Do they look the same? Shall we try to copy some of them backwards? What do the backwards ones look like back in the mirror?

Mirror Spies: How can you use your mirror to look under the table? How can you use your mirror to look around the corner?
