

CLASS PREPARATIONS

- PUT THE MYSTERY OBJECT FOR THE CLASS (ON THE CLASS PREP SHEET) INTO A SMALL BAG. TRY TO KEEP THIS OUT OF SIGHT OF YOUR CHILD SO IT'S A SURPRISE DURING THE CLASS!
- GATHER TOGETHER SOME OF THE EXPLORATION RESOURCES LISTED FOR THE CLASS. YOU DON'T NEED EVERYTHING. PUT THESE AWAY FROM THE SCREEN AREA TO AVOID DISTRACTIONS DURING THE CLASS.
- SET UP YOUR SCREEN AND MAKE SURE ZOOM IS DOWNLOADED.
- PRINT OUT OR HAVE YOUR GREEN EXPLORATION CARD ACCESSIBLE TO REFER TO.

SONG LYRICS

LITTLE STEAMERS SONG

WHY DO STICKS FLOAT ON TOP?
WHY DO STONES SINK WITH A PLOP?
WHAT HOLDS ONTO A MAGNET TIGHT?
CAN WE MAKE SHADOWS WITH A LIGHT?

LITTLE STEAMERS, LITTLE STEAMERS
WE LOVE TO LEARN
WE WONDER WHY
WHEN THINGS GET TRICKY
WE ALWAYS TRY
LITTLE STEAMERS, LITTLE STEAMERS
WE'RE READY TO EXPLORE

CAN WE MAKE A TOWER TALL?
CAN WE BUILD A STRONGER WALL?
LET'S MAKE MUSIC, PAINT AND SING
COUNT AND MEASURE EVERYTHING

CHORUS X 2
